Summary IAS

Details

Lead department	Department of Natural Resources and Mines, Manufacturing and Regional and Rural Development
Name of the proposal	<i>Rural and Regional Adjustment (Community Housing Energy Upgrades Rebate Scheme) Amendment Regulation 2026</i>
Submission type	Summary IAS
Title of related legislative or regulatory instrument	<i>Rural and Regional Adjustment Regulation 2011</i>
Date of issue	September 2025

Proposal type	Details
Minor and machinery in nature	<p>The proposal relates to the administration of rebates under the <i>Rural and Regional Adjustment Act 1994</i> (the Act) and is minor and machinery in nature being a routine task of government.</p> <p>The <i>Rural and Regional Adjustment (Community Housing Energy Upgrades Rebate Scheme) Amendment Regulation 2026</i> will establish the Community Housing Energy Upgrades Rebate Scheme (the scheme). The scheme will be administered by the Queensland Rural and Industry Development Authority under the Act. Section 11 of the Act requires that financial assistance schemes are approved and detailed in regulation.</p> <p>The scheme aims to encourage community housing providers to improve energy efficiency in community housing and reduce electricity bills for tenants. The scheme also aims to improve residents' quality of life by keeping homes warmer in winter and cooler in summer.</p>
